**MESSAGE FOR CHRISTMAS 2021**  
**AND THE NEW YEAR 2022**

*And Jesus came up and said to them: "All power in heaven and on earth has been given to me... Behold, I am with you every day, until the end of the world." (MATTHEW 28:18-20)*

God Power, Christ Power or Master Power, once it has taken abode in the disciple who has been initiated into the mysteries of the spirit, never abandons him. Having a sure Guide that makes us live the authentic values of the spirit, in these insecure times, in which the darkness of ignorance seems to have enveloped the whole planet, is an invaluable fortune.

*"Ask and it will be given to you; seek and you will find; knock and it will be opened to you." (MATTHEW 7:7)* The Shepherd calls and gathers his sheep, so that, as long as there is light, before the gloomy darkness falls, they enter his safe fold.

With the approaching of the Christmas of the Supreme Master, to whom, according to the Scriptures, the Father has entrusted the destiny of the world, while many multi-coloured lights are lit everywhere in the streets, we must turn on and let the Divine Light that is within us shine, and place it on the candlestick so that it illuminates the Way also to other souls in search.

This is the Light that illuminates, night and day, the New Jerusalem, the Holy City that descends from Heaven to welcome those who are worthy to live in the New Era that is approaching. But to be admitted, one must be judged *irreproachable*. (REVELATION 14:5) This presses us to give a sincere account of the past year, to see in which sides we need to improve our conduct, and to formulate sincere and positive resolutions for the New Year, so that our life becomes the clear mirror of Master's Teachings.

In these last two years an invisible virus, spreading everywhere, has conditioned and continues to condition the life of the entire planet. This planetary calamity should have generated only brotherhood and mutual aid in the entire humankind, whereas it has generated misunderstandings and given rise even to violence and conflict.

This, because men have not understood that the true purpose of this calamity is to be a corrective and a warning for a humanity that has lost its orientation and that no longer knows how to distinguish good from evil, that has crossed all limits by falling in the lowest moral level ever reached in its history, completely oblivious of its own spirit and God.

It is therefore to be hoped that with the New Year this calamity will finally go away, leaving behind it a more conscious humanity ready to welcome Master's Message of Love and authentic Knowledge

To all of you I wish a Christmas illuminated by the Divine Light, a bearer of love and joy, which potentially shines in the heart of every man, and a New Year that may be a continuous rebirth in the spirit and an entry *into the kingdom of God which is within you* (LUKE 17:21), as the Master Christ recommended.

Yours affectionately,

Pier Franco Marcenaro
